INTRODUCING

CONNECT

BUSINESS PARK

Artist's impression

A land development opportunity at 232–272 Alexandra Street, Kawana, Queensland.

Designed around a vision for a contemporary business precinct, Connect Business Park brings together individual land opportunities within a masterplanned estate, creating a platform for businesses, developers and investors to explore their next move.

With a focus on flexibility, connectivity and long-term potential, Connect Business Park presents an opportunity to secure land and consider future development possibilities in a coordinated business park setting.

Your land. Your vision. Your opportunity.

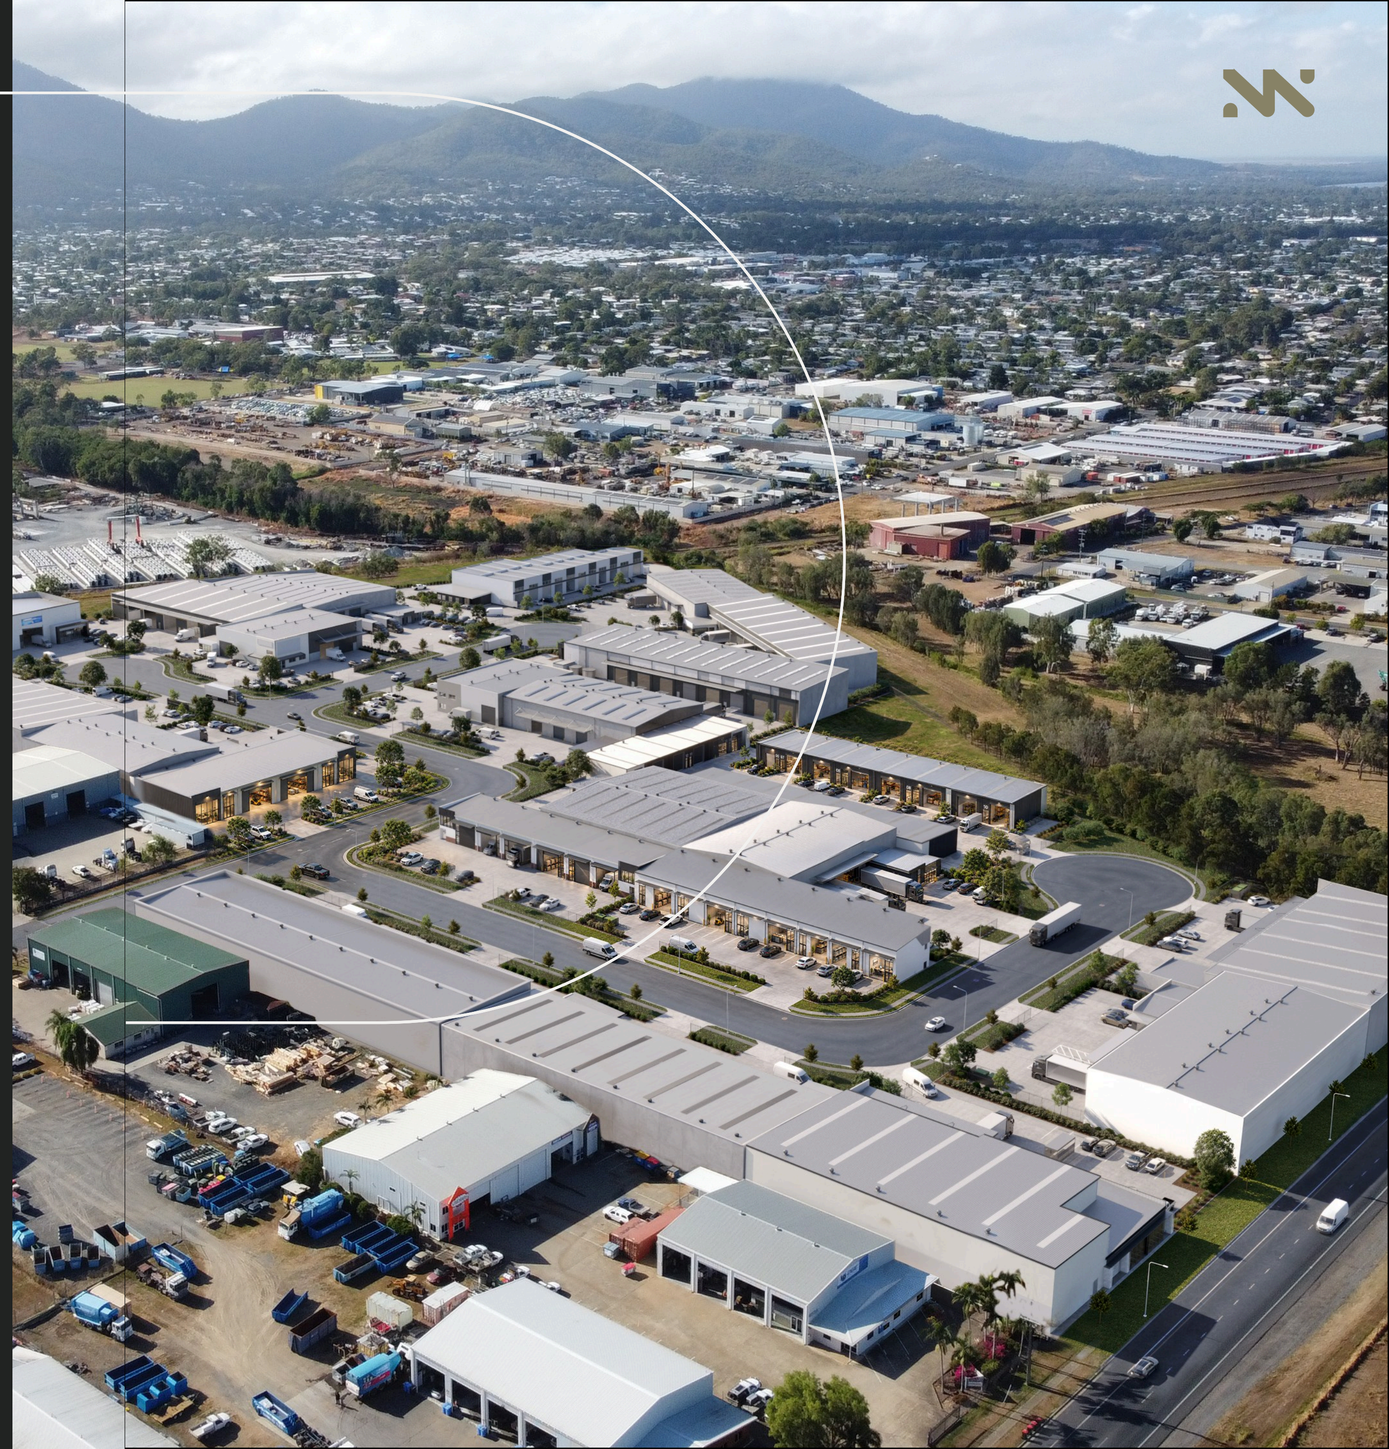

Land with opportunity built in.

Positioned for what's next.

LOCATION & CONNECTIVITY

Located at 232–272 Alexandra Street in Kawana, Connect Business Park offers an opportunity to secure land in a strategic, centralised location, within the Rockhampton Industrial market.

The site's location provides a foundation for purchasers to assess access to surrounding business areas, road networks, services and regional destinations relevant to their operations.

THE LOCATION ADVANTAGE

01.	REGIONAL POSITIONING	A Kawana location within the broader Rockhampton commercial and industrial market.
02.	BUSINESS CONNECTIONS	An opportunity to establish a presence within a regional business environment.
03.	TRANSPORT & ACCESS	Location considerations to be assessed against the needs of individual businesses and proposed developments.
04.	FUTURE POSSIBILITIES	Location considerations to be assessed against the Individual land ownership within a coordinated estate vision.

Connected to the bigger picture.

Connect Business Park is positioned within the core industrial precinct of Rockhampton, near key road infrastructure connecting the city and surrounding areas.

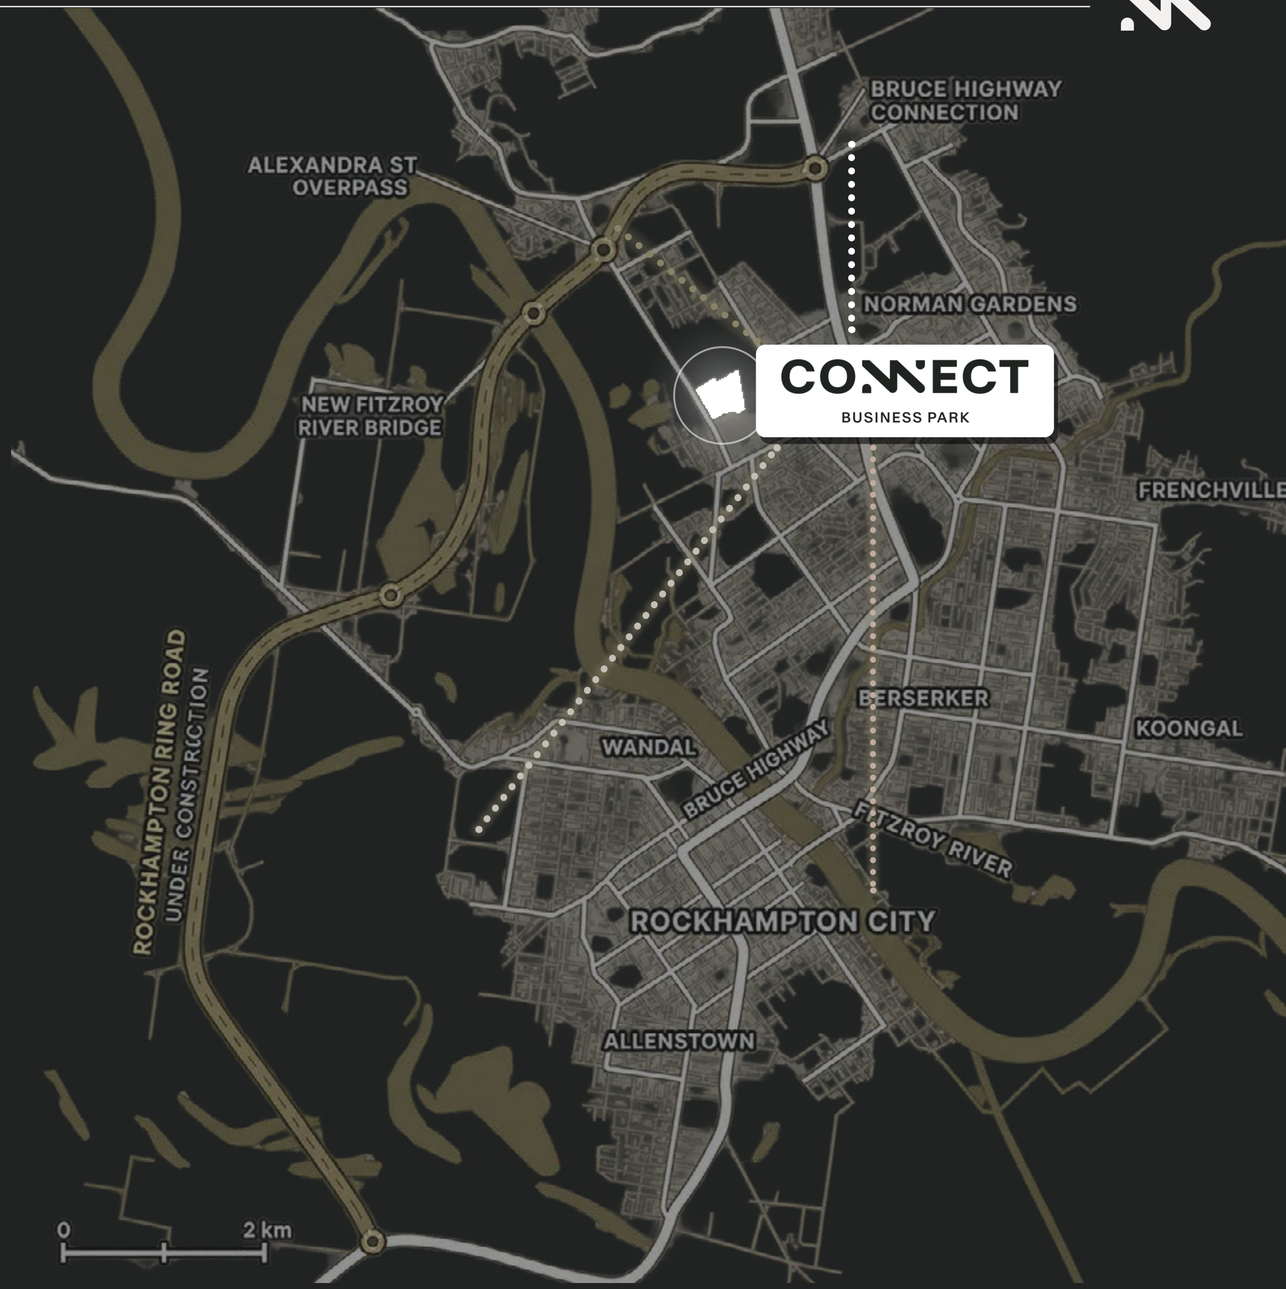

The Rockhampton Ring Road, currently under construction, is planned as a new western link of the Bruce Highway.

The project is intended to support regional connectivity and move through-freight away from central Rockhampton.

The Ring Road alignment is located approximately 1.5 kilometres from the Connect site boundary, measured in a straight line.

CONNECTIVITY AT A GLANCE

ROCKHAMPTON RING ROAD	Approx 1.5km
BRUCE HIGHWAY	Approx 1.1km
ROCKHAMPTON CBD	Approx 7km
ROCKHAMPTON AIRPORT	Approx 9.7km

The bigger picture

The masterplan vision.

ONE CONNECTED VISION. MULTIPLE POSSIBILITIES.

Connect Business Park is envisioned as a contemporary, coordinated business precinct, bringing together individual land lots within a planned estate environment.

The masterplan visualisation communicates the intended scale and character of the project, illustrating how the land could accommodate future development over time.

Each lot represents an opportunity for a purchaser to explore its own development requirements within the broader estate vision.
